

HMRRC Runnin' of the Green Team Mini Grand Prix

Prizes: \$300, \$200, \$100, \$75, \$50, \$35, \$25

Teams of 4 consisting of

MALE

FEMALE

AGEGRADED1 (Male or Female)

AGEGRADED2 (Male or Female)

Team members DO NOT have to be from same USATF team

Each individual can only be on 1 team.

Team members all need to be HMRRC members.

Scoring: MALE and FEMALE do not have to have their times adjusted
AGEGRADED1 and AGEGRADED2 have their times age graded.

Hypothetical Example: Joe Smith (Male 27, 20:35), Jane Smith (Female 28, 22:54), Frank Smith (Age Graded Male 66, 24:52), Fran Smith (Age graded Female, 56, 26:37)

Joe and Jane would not have their times changed. Frank and Fran would have their times gender and age adjusted and the final result would be

Joe: 20:35

Jane: 22:54

Frank: 20:25 (age adjusted from 24:52)*

Fran: 20:46 (age and gender adjusted from 26:37)*

Total: 124:40

* adjustment formula will be based on age graded percentage and code will be open and placed on github for peer review, Jan 2017.
